

2017 Levinson Lecture

The Toronto Lung Transplant Program: Past and Present

with **Michael Hutcheon, MD, FRCPC**

Professor of Medicine
University of Toronto

at **UHN–Toronto General Hospital**

Medical Education, Eaton Ground 025/026

Wednesday, September 20, 2017 @ 12:00 to 13:00

LEARNING OBJECTIVES:

At the end of the presentation, participants should be able to:

1. recognize the role of the University of Toronto in the development of lung transplantation;
2. describe the current status and outcomes of lung transplantation in the management of end stage pulmonary disease; and
3. assess the contribution of TLTP in describing an important subset of chronic lung allograft dysfunction and the clinical development of ex vivo lung perfusion (EVLP).
