I don't have a mentor

I don't know my mentor } **Jump to section 4**

Please complete the following table. For each mentor indicated, please provide the average frequency of contact and your overall satisfaction with the level of mentorship received with the individual (1 – extremely dissatisfied to 5, extremely satisfied).

Mentor Name	Frequency of Contact (times per year) < 1 / 1-6 / 7-12 / > 12	Satisfaction with mentorship (1 2 3 4 5)	Please provide any comments
	<p style="text-align: center;">< 1</p> <p style="text-align: center;">1-6</p> <p style="text-align: center;">7-12</p> <p style="text-align: center;">> 12</p>	<p style="text-align: center;">1</p> <p style="text-align: center;">2</p> <p style="text-align: center;">3</p> <p style="text-align: center;">4</p> <p style="text-align: center;">5</p>	
	<p style="text-align: center;">< 1</p> <p style="text-align: center;">1-6</p> <p style="text-align: center;">7-12</p> <p style="text-align: center;">> 12</p>	<p style="text-align: center;">1</p> <p style="text-align: center;">2</p> <p style="text-align: center;">3</p> <p style="text-align: center;">4</p> <p style="text-align: center;">5</p>	
	<p style="text-align: center;">< 1</p> <p style="text-align: center;">1-6</p> <p style="text-align: center;">7-12</p> <p style="text-align: center;">> 12</p>	<p style="text-align: center;">1</p> <p style="text-align: center;">2</p> <p style="text-align: center;">3</p> <p style="text-align: center;">4</p> <p style="text-align: center;">5</p>	

4. APPENDICES

The inclusion of appendices is not necessary for a successful review. You may, however, include up to 5 pages of additional documentation relevant to your review, e.g. informal evaluations. Please insert teaching effectiveness scores and other pertinent evaluation information within WebCV where you list the teaching activities (this is done AFTER exporting to word document). **Please do not include any of the following:** letters of reference or testimonials, emails or personal communication, documents containing personal health identifiers of patients, etc.
