

# Equity, Diversity, and Inclusion in Academic Medicine: Setting the Stage for Diverse Human Flourishing

with **Saleem Razack, MD, FRCPC**

Director of the Office of Social Accountability and Community Engagement & Professor of Pediatrics and Health Sciences Education,  
Staff Intensivist and Division Director, Pediatric Critical Care Medicine, Montreal Children's Hospital, McGill University, Montréal, QC

at **Unity Health – St. Michael's Hospital**

LKSKI - Keenan Research Centre Aud. 2nd fl.

Wednesday, January 15, 2020 @ 12:00 to 13:00

## LEARNING OBJECTIVES:

At the end of the presentation, participants should be able to:

1. Define equity, diversity, and inclusion as relevant to the context of academic medicine.
2. Identify the characteristics of inclusive leadership.
3. Analyze institutional policies, practices, and culture for their inclusiveness to diverse persons, and accountability to marginalized populations.
4. Consider their own context of academic medicine for best practices in equity, diversity and inclusion.
