

Perioperative Care Congress: Science, Evidence and Practice
June 2-4, 2017
Toronto, Ontario

Who should attend?

Anesthesiologists, internal medicine specialists, surgeons, hospitalists and allied health care providers who want to promote the exchange of ideas and information on perioperative care between specialties.

The **Perioperative Care Congress** will provide physicians and surgeons with leading edge clinical practices to improve perioperative short, intermediate, and long-term outcomes and an opportunity for trainees and mid and junior faculty to present research findings.

Program Highlights

Friday: Research Competitions

Saturday: CCS Perioperative Guideline Recommendations; Perioperative VTE

Sunday: Acute and Chronic Pain; Bleeding and Transfusion; Wound Infection; Pneumonia
