Aerospace Medicine Rounds

Rural & Remote Anesthesia: Parallels to Aerospace Medicine

Tuesday, December 5, 2023 12:00 – 1:00 p.m. (ET)

Dr. Beverley Orser

MD, PhD, FRSC, FCAHS, FRCPC Professor & Chair, Department of Anesthesiology and Pain Medicine Temerty Faculty of Medicine, University of Toronto

Chair, Board of the International Anesthesia Research Society

Fahad Alam, MD, FRCPC, MHSc

Assistant Professor & Anesthesiologist, Sunnybrook Health Sciences Centre Medical & Research Director, Sunnybrook Canadian Simulation Centre Education Researcher, The Wilson Centre for Research in Medical Education Chair, Canadian Anesthesiologists' Society (CAS) - Continuing Education & Professional Development Committee, and Simulation & Education Section Co-Director/Founder, Collaborative Human ImmerSive Interaction Lab (CHISIL) - VR/AR/MR

Dr Julian Wiegelmann MHA, MD, FRCPC

Anesthesiologist, Sunnybrook Health Sciences Centre Lecturer, University of Toronto

Learning Objectives:

- 1. Identify parallels between Anesthesia and Aerospace
- 2. Understand the concept of social accountability.
- 3. Learn about the evolution of the anesthesia workforce and clinical productivity in Canada.
- 4. Identify strategies to support high acuity care in under-resourced environments, including augmented virtual reality for training

Zoom Details:

https://utoronto.zoom.us/j/87138775371

Meeting ID: 871 3877 5371 Passcode: 630529

A post-rounds evaluation survey will be circulated shortly after this date.

Please email <u>aerospace.med@utoronto.ca</u> to be added to the <u>Aerospace Medicine Rounds</u> and/or the <u>Occupational Medicine Rounds</u> Mailing Lists.

The 'Aerospace Medicine Rounds' is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada. **To**

be eligible for Section 1 MOC credits, participation in the event must be formally recorded. For tracking purposes, participants attending must ensure their Zoom display/login name includes first and last name.

If unable to attend, it is possible to claim RCPSC Section 2 credits at 0.5 credits per activity for watching the recorded video. All recordings of prior Aerospace Medicine & Occupational Medicine Rounds are posted here: <u>https://deptmedicine.utoronto.ca/rounds</u>
